Frequently Asked Questions

What is...

What is this Certificate?

This nationally accredited certificate is an entry-level Australian qualification to prepare you for roles in aged, disability, and community care. This certificate is also recognised in other countries like the UK, Canada, and Japan.

How long is this course?

The total course duration is 29 weeks. This includes structured online training for 25 weeks, face to face simulation for 1 week and 120 hours of work experience.

What are the costs?

The total cost of this course is \$4,000AUD (payment plans available). There are additional costs associated with migration to Australia, contact us for more details.

What are the career outcomes?

Aged or disabled carer, personal care assistant, nursing support worker, respite care worker, home help worker. This certificate opens up opportunities for work sponsorship in Australia, which can lead to permanent residency.

FAQs

What is...

How do I come to Australia?

UQT, in partnership with recruiters and aged care facilities, helps students secure Australian employers for work sponsorship. These opportunities are available to onshore students and offshore students. With the new Aged Care Labour Agreement, work sponsorship now provides a direct pathway to permanent residency.

What visa options are available?

Graduates can apply for visas like the Training Visa (407), Temporary Skill Shortage Visa (482), or Pacific Australia Labour Mobility Visa (403). This certificate also benefits those on student visas or working holiday visas, and opens up opportunities for higher-paid, skilled jobs.

How is the training structured?

Enrolments are held every 3 months. Contact us or visit our site to see next enrolment dates and secure your spot!
